On behalf of all authors, as the corresponding author of the manuscript, I warrant that

- (a) the manuscript submitted is my/our own original work and is not plagiarized;
- (b) neither this manuscript nor one with substantially similar content under my/our authorship has been published or is being submitted or considered for publication elsewhere;
- (c) the text, illustrations, and any other materials included in the manuscript do not infringe upon any existing copyright or other rights of anyone;
- (d) I properly cited previously published material;
- (e) all authors have seen and approved the manuscript as submitted;
- (f) all persons who have made substantial contribution to the work reported in the manuscript, but who are not contributors/authors are named in the acknowledgment and have given me/us their permission to be named;
- (g) confidentiality of research participants, organizations, clients, or other sources of information has been maintained adequately in the manuscript;
- (h) all ethical consideration as per APA's manual (latest edition) has been fulfilled;
- (i) I accept the terms and conditions of the journal;
- (j) I was authorized by all authors to sign this form and to enter into a binding contract with *Online Mathematics Journal* as detailed in this Copyright Agreement Form, and I will be responsible in the event of all disputes that have occurred and that may occur;
- (k) I transfer all financial rights, especially processing, reproduction, representation, printing, distribution, and online transmittal, to *Online Mathematics Journal* with no limitation whatsoever;
- (l) I transfer, assign or otherwise convey all copyright ownership, including any and all rights incidents thereto, exclusively to *Online Mathematics Journal*.

Notwithstanding the above, the Contributor(s) or, if applicable the Contributor's Employer, retain(s) all proprietary rights other than copyright, such as: (a) patent rights; (b) to use, free of charge, all parts of this article for the author's future works in books, lectures, classroom teaching, or oral presentations; (c) the right to reproduce the article for their own purposes provided the copies are not offered for sale. However, reproduction, posting, transmission or other distribution or use of the article or any material contained therein, in any medium as permitted hereunder, requires a citation and appropriate credit to *Online Mathematics Journal*, suitable in form and content.

I will have no objection or claim if the authorities of *Online Mathematics Journal* suggest any modification/s regarding contents, formatting and length of the manuscripts. I understand that this agreement is only for one time publication in the journal and that layout as well design considerations rest solely with *Online Mathematics Journal*.

By signing the above stated conditions, I accept responsibility for the contents of the manuscripts. I know that authors will not receive royalty or any other compensation from the journal authorities on acceptance of manuscript for publication.

As the corresponding author, I also warrant that "*Online Mathematics Journal*" and the "Journal Editors" will not be held liable against all copyright claims of any third party or in lawsuits that may be filed in the future, and that I will be the only person who will be liable in such cases. I also warrant that the article contains no libellous or unlawful statements, I/we did not use any unlawful method or material during the research, I/we obtained all legal permissions pertaining to the research, and I/we adhered to ethical principles during the research.
